

Company Profile | Ibtikar Holding

Investment Holding

At Ibtikar (ابتكار), our core principle lies in the literal meaning of our name, which is "ability to think creatively to introduce new approaches".

ibtikar Holding

Our subsidiaries form a vital extension of our operational and strategic capabilities. Each subsidiary is established with a clear purpose to strengthen our presence in key markets, diversify our service offerings, and drive innovation across industries.

Operating across multiple regions and sectors, our subsidiaries are empowered to act with agility while remaining aligned with our core values and vision. This decentralized yet cohesive structure enables us to respond swiftly to local market needs, maintain compliance with regional regulations, and cultivate deeper customer relationships.

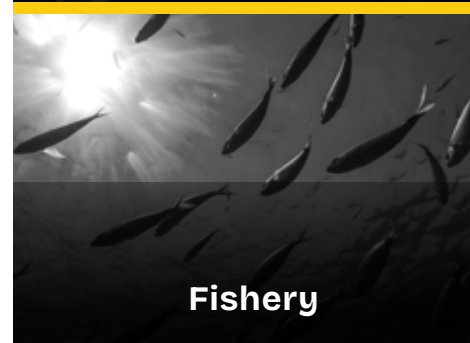

Through our subsidiaries, we ensure that our global strategies translate effectively at the local level, reinforcing our commitment to excellence, innovation, and sustainable growth.

Our Expertise

We specialize in investments that empower humanity and strength-en the position of the local sector within the UAE. Our approach is guided by a commitment to sustainable growth, innovation, and value creation. We are open to forming strategic partnerships with reputable orga-nizations to capitalize on major business opportunities and drive mutual success

About Us

We are a UAE-based investment holding company committed to creating long-term value through strategic, diversified investments. Our approach is grounded in disciplined research, deep market insight, and measured execution. By taking proactive initiatives and fostering commercially viable, socially impactful partnerships, we drive sustainable growth and meaningful returns.

Vision

With a vision to become a globally respected partner in investment solutions that enable positive economic and developmental outcomes, we continue to evolve with agility and foresight.

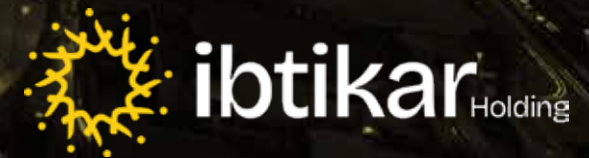

Mission

Our mission remains clear throughout- to empower progress through modern investment strategies that deliver value and inspire growth locally and beyond.

International Investment in MENA & Beyond

At Ibtikar, we recognize the strategic importance of connecting our investment activities across the Middle East and Africa. With a forward-looking approach, we have initiated impactful development projects in Somaliland and other emerging markets—unlocking opportunities, driving value creation, and transforming potential into progress.

By expanding our footprint across high-growth regions, we aim to harness untapped resources and foster sustainable partnerships that deliver economic and social returns on a global scale.

PARTNERSHIP**6**

Core Values

Our Investment Focus

At Ibtikar, we strategically invest in high-impact sectors that drive sustainable growth and unlock long-term value. Our diversified portfolio spans across key industries that are vital to economic development and regional progress.

Marine Logistics & Construction

We invest in infrastructure and logistics solutions that support maritime trade, port development, and coastal construction—enhancing regional connectivity and enabling efficient supply chains.

Agriculture & Livestock

We support agricultural innovation and livestock development to strengthen food security, promote sustainable farming practices, and create opportunities in rural economies.

International Trading

Our global trading activities focus on facilitating the flow of goods, commodities, and resources across borders, contributing to vibrant and resilient market ecosystems.

Urban Development

From housing projects to smart cities, we invest in modern, inclusive urban environments that improve quality of life and respond to the demands of fast-growing populations.

Technology

We back forward-thinking technologies and digital solutions that shape the future focusing on scalable innovations in fintech, smart logistics, and beyond.
